

- Did you know bees have 5 eyes and 6 legs - I'm not pulling your leg!
  - An average beehive can hold around 50,000 bees.
  - A bees favourite colour is blue and their favourite flower is lavender.
    - The Queen Bee (not Beyonce) can live up to 5 years. She is super busy in Summer, where she can lay up to 2,500 eggs a day!
- Only girl bees can sting you, boy bees are called drones and don't even have a stinger.
